

# Divison B

*Ages 10-11*

Dance Division B builds on previous ballet training by increasing strength, stamina, and technique. Dancers will continue training in tap and jazz with a once-a-week combo class. The level of strength training will increase. Barre and center work focus on combining elements while increasing focus and technique. In the center, students learn more complicated petite allegro and the grand allegro to develop greater stamina and fluidity of movement. Students at this level receive preparation and may begin pointe work. These students are expected to attend class 1.5 hours three times a week.
